

Retro lifestyle range 2008 & 2009

Still on track after 30 years

Having celebrated 30 years in Formula 1 in 2007, Renault were keen to spread the message and the 'Racing since 1977' logotype was created. The retro range used a broader colour palette to make items more wearable and to create a wider appeal. The range included, caps, t-shirts, hoodies, polos, a jacket and a small selection of kids clothes.
